

I am the LORD,  
the God of  
Abraham and Isaac.

This land will be your  
family's land.  
Your family will  
spread out in every  
direction –  
East, West, North,  
and South

Everyone on earth  
will be blessed thru  
your offspring.

Jesus will be your  
great, great, great...  
grandson.

I am with you  
and  
will watch over you  
wherever you go.

I will bring you back  
to this land.

I will not leave you.  
I will do everything  
I have promised you.

I promise.
