

Трєбє да изрєжєтє зєбpa, трєбє да нєрисувєтє рєбєтєтє и с чєтєвє и бєлєчєкє. Слєд тєм изрєжєтє пє кончєтє и прєлєжєтє пє срєдєтє. Зє да сє изгpaвє глaвчєтєтє, трєбє да в прєлєжєтє оцє дєлє пaтє. Зaпєчєтє отдєлчє, зє дє в пє-дєрєвє кончєтєчєтєтє.

7. Glue the end of the strips as marked on the chariot. They will stick out front of the chariot.
8. Attach the front end of the strips to the horse along his side, just above his tummy, so it can pull the chariot.

fold

Fold

Chariot Directions:

1. Cut out the outside line around chariot as 1 piece.
2. Fold the tabs and base where they connect to the flame part of the chariot.
3. Tape the tabs to the base.

Fold base
of Chariot

Tape a straw here

4. Cut a straw 1 3/4 inch length. Tape it under the base for the wheels.
5. Put a 3 inch long dowel or shishkabob stick into the straw.
6. Cut round wheels from cardboard **OR** punch holes into 2 lids of the same size **OR** use wooden wheels. Attach the wheels to the ends of the stick.
