Made To Grow

Look at the plant.

See its leaves turning towards the sun. God
has made you to desire warmth and light.

God is the light of TRUTH.

God is the warmth of LOVE.

See the plant's flower inviting the bee to
feast on its sweetness and spread its pollen.
God invites you to enjoy his sweet blessings
and to bless others.

Pick and enjoy the ripened fruit.

God put nutrition there -- innumerable
health benefits because He cares for you!

See the seed. Life will go on.

God is eternal and gives eternal life.

See the seed. Life will go on.

God is eternal and gives eternal life.

The wages of sin is death. Jesus died for us.

Like a seed, He was buried and rose again.

He gives us eternal life!

"I am the resurrection and the Life.

*He that believeth in Me, though he die,
yet shall he live. John 11:25*

A farmer (God) sowed seed (His Word) here,
there and everywhere. Some landed on fertile
soil and some did not. The plants could not
grow among the thistles of worry or hard soil.
Cast all your cares on Him. For He cares for you.

*"The kingdom of heaven is
like a mustard seed, which a
man took and sowed in his
field; and this is smaller than
all other seeds, but when it
is full grown, it is larger than
the garden plants and be-
comes a tree, so that the
birds of the air come and
nest in its branches."*
